Embracing Nature's Gifts Since 2006

Founded in 2006, Surya Kimya is one of the biggest suppliers and leading manufacturers of pioneering cosmetic ingredients in Turkey. Exceptional functional technical expertise coupled with substantial industry knowledge makes our firm the ideal choice for generating and executing projects for cosmetic companies throughout the world. By using innovative techniques we focus on achieving the highest quality in formulations, production, and marketing.

Extraordinary and unique aspects of our company are extensive R&D as well as formulation studies with scientific input and improvements for our customers' special demands. Our specialty products can be customized to match your individual requirements.

As Surya Kimya, we believe in sustainability and to support a sustainable future for our society and the planet, we act responsibly to carry or formulate any ingredients obtained from plants that are becoming extinct or unsustainable.

Surya Kimya offers a wide range of product portfolios including an innovative group of extracts and special ingredients.

- Hydrosoluble Botanical Extracts
 - Glycerine/water and propylene glycol/water-based
- Liposoluble Botanical Extracts
 - Vegetable oil based
- Coloring Herbal Oils
 - Natural Red, Yellow, and Orange color
 - The natural dye for many cosmetic and aromatherapy products
- Exclusive Complex Extracts
 - Produced and prepared with multiple special herbal activities and extracts exclusively for your formulations to use in your private brands
- Creativity from long-established experience
- Traditional plants reinterpreted
- Cosmeceutical active compounds transformed
- An innovative process with the highest quality
- Botanical plants employed in high-performance products
- All of the listed botanical herbs can also be encapsulated in liposomes

All the products are delivered in the fastest way together with the required documentation including a certificate of analysis, MSDS, and TDS.

We manufacture all of our products in a modern and innovative approach in compliance with the guidelines for GMP and ISO 9001: 2008, under hygienic conditions.

Please contact us for further information.

Botanical Extracts

TRADITIONAL BEAUTY

ABYSSINICA MYRRH

commiphora abyssinica

Skin conditioning, occlusive, emollient, moisturizing

ALDER BUCKTHORN

frangula alnus

Humectant, skin conditioning, solvent, viscosity controlling

ALKANET

alkanna tinctoria

Antioxidant, free radical scavenger, skin conditioner

ALOE VERA

aloe barbadensis

Anti-aging, fibroblast growth, wound healing, anti-inflammatory, moisturizing, antibacterial, antifungal, burn healing, emollient, humectant

ANGELICA

angelica archangelica

Skin conditioner

ANISE

pimpinella anisum

Skin conditioner, Astringent

APPLE

pyrus malus

Antioxidant, free radical scavenger, skin conditioner

APRICOT

prunus armeniaca

Antioxidant, antimicrobial, anti-inflammatory, skin conditioner

ARBUTUS

arbutus unedo

Antioxidant, skin conditioner, antimicrobial, antibacterial, antiseptic, astringent

ARGAN

argania spinosa

Emollient, skin conditioning

ARNICA

arnica montana

Antimicrobial, anti-inflammatory, antifungal, antibacterial, wound healing, skin conditioner

ARTICHOKE

cynara scolymus

Skin conditioner, antioxidant, antifungal, nutritious

AVOCADO

persea gratissima

Emollient, moisturising, skin conditioner, smoothing, soothing, antioxidant, antifungal, antibacterial, anti-itching

BAMBOO

bambusa vulgaris

Skin conditioning

BANANA

musa paradisiaca

Antioxidant, free radical scavenging, wound healing, skin conditioner, astringent

BARLEY

hordeum vulgare

Skin conditioner, antioxidant, free radical scavenger, nutritious

BASIL

ocimum basilicum

Antimicrobial, antioxidant, antifungal, anti-inflammatory, tonic

BEARBERRY

arctostaphylos uva ursi

Skin conditioning

BERGAMOT

citrus aurantium bergamia

Skin conditioning

BETULA ALBA

betula alba

Astringent, cleansing, fragrance, skin conditioning, soothing, tonic

BILBERRY

vaccinium myrtillus

Antioxidant, anti-inflammatory, skin conditioner

BITTER ALMOND

prunus amygdalus amara

Skin conditioner

Botanical Extracts

TRADITIONAL BEAUTY

BITTER ORANGE

citrus aurantium amara

Antioxidant, antifungal, sunburn healing, skin conditioner

BLACK CARROT

daucus carota sativa

Skin conditioning

BLACK CURRENT

ribes nigrum

Astringent, emollient, perfuming, skin conditioning

BLACK GARLIC

allium sativum

Skin conditioning

BLACK MULBERRY

morus nigra

Skin conditioner, antioxidant, nutritious

BLACK SEED

nigella sativa

Antioxidant, skin conditioner

BLACKBERRY

rubus fruticosus

Astringent, masking, tonic, antioxidant, antimicrobial, antibacterial, nutritious, anti-inflammatory

BLUE ORCHID

phalaenopsis amabilis

Humectant

BORAGE

borago officinalis

Antioxidant, anti-aging, antibacterial, skin conditioner, emollient

BRUSSELS SPROUTS

brassica oleracea gemmifera

Astringent

BURDOCK

arctium lappa

Antioxidant, anti-inflammatory, wound healing, skin conditioner, hair growth

BUTCHER'S BROOM

ruscus aculeatus

Astringent, light stabilizer, refreshing, skin conditioning, soothing, tonic

CABBAGE

brassica oleracea capitata

Antioxidant, anti-inflammatory, antibacterial, skin conditioner

CALENDULA

calendula officinalis

Skin conditioner, anti-inflammatory, wound healing, masking

CAMPBOR TREE

cinnamomum camphora

Antioxidant, anti-inflammatory, antiseptic, astringent, skin conditioner

CAPSICUM

capsicum frutescens

Antibacterial, antimicrobial, skin conditioner

CAROB

ceratonia siliqua

Skin conditioner, masking, Antioxidant, free radical scavenger, antibacterial

CARROT

daucus carota

Antioxidant, antimicrobial, skin conditioner

CHAMOMILE GERMAN

chamomilla recutita

Skin conditioner, masking

CHAMOMILE ROMAN

anthemis nobilis

Antioxidant, antimicrobial, anti-inflammatory, wound healing

CHERRY

prunus avium

Skin conditioner, antioxidant, nutritious, sedative

CHOKEBERRY

aronia melanocarpa

Skin conditioning

CINNAMON

cinnamomum cassia

Anti-aging, antioxidant, anti-inflammatory, antimicrobial, hair conditioner

Botanical Extracts

TRADITIONAL BEAUTY

CLOVE

eugenia caryophyllus

Antioxidant, antibacterial, skin conditioner

COCOA

theobroma cacao

Antioxidant, antimicrobial, immunomodulatory, skin conditioner

COCONUT

cocos nucifera

Skin conditioner, hair conditioner, emollient, antioxidant, antibacterial, antimicrobial, antifungal, immunosimulatory, antiviral

COFFEE

coffea arabica

Antioxidant, anti-inflammatory, antibacterial, immunomodulatory, skin conditioner

COMFREY

symphytum officinale

Antioxidant, anti-inflammatory, wound healing, skin conditioner, anti-dandruff

COMMON CENTAURY

centaurium erythraea

Skin conditioning

COMMON SOAPWORT

saponaria officinalis

Skin conditioner, cleansing

CONEFLOWER

echinacea angustifolia

Anti-inflammatory, immunostimulatory, moisturizing, skin conditioner, soothing, tonic

CORIANDER

coriander sativum

Skin conditioner, antioxidant, analgesic, antibacterial, antifungal, anti-inflammatory, sedative

CORN

zea mays

Antioxidant, anti-inflammatory, free radical scavenger, skin conditioner

CORNFLOWER

centaurea cyanus

Astringent, skin conditioning

COSTUS

saussurea lappa

Skin conditioning

COTTON

gossypium herbaceum

Skin conditioning

CRANBERRY

vaccinium macrocarpon

Astringent, antioxidant, antimicrobial, free radical scavenger, anti-inflammatory

CUCUMBER

cucumis sativus

Free radical scevanger, analgesic, skin conditioner, emollient

CUMIN

cuminum cyminum

Skin conditioner, masking, antioxidant, nutritious, anti-inflammatory, antifungal, antibacterial

DANDELION

taraxacum officinale

Skin conditioning

ELDERBERRY

sambucus nigra

Astringent

ELDERFLOWER

sambucus nigra

Refreshing, skin conditioning, soothing, tonic

EUCALYPTUS

eucalyptus globulus

Antioxidant, antibacterial, skin conditioner

EVENING PRIMROSE

oenothera biennis

Antioxidant, anti-aging, astringent

FENNEL

foeniculum vulgare

Antioxidant, antimicrobial, anti-inflammatory, analgesic, skin conditioner

Botanical Extracts

TRADITIONAL BEAUTY

FENUGREEK

trigonella foenum-graecum

Antioxidant, anti-inflammatory, immunomodulatory, skin conditioner

FIG

ficus carica

Antioxidant, antibacterial, antimicrobial, anti-inflammatory, humectant, skin conditioner

GALANGAL

alpinia galanga

Skin conditioning

GARLIC

allium sativum

Antioxidant, antimicrobial, antifungal, immunomodulatory, antibacterial, antiseptic, skin conditioner

GINGER

zingiber officinale

Antioxidant, anti-inflammatory, skin conditioner

GINKGO BILOBA

ginkgo biloba

Anti-aging, anti-inflammatory, free radical scavenger, hair regrowth, skin conditioner

GINSENG

panax ginseng

Anti-aging, antioxidant, antimicrobial, hair regeneration, emollient, hair conditioner, skin protecting, tonic

GOJI BERRY

lycium barbarum

Astringent, hair conditioning, skin conditioning

GOTU KOLA

centella asiatica

Skin conditioning

GRAPE FRUIT

vitis vinifera

Antioxidant, antimicrobial, skin conditioner

GRAPE LEAF

vitis vinifera

Antioxidant, skin conditioner

GRAPE SEED

vitis vinifera

Antibacterial, antimicrobial, anti-inflammatory, Antioxidant, anti-dandruff, oral care, skin protecting, UV absorber

GRAPEFRUIT

citrus paradisi

Skin conditioning

GREEN APPLE

pyrus malus

Skin conditioning

GREEN COFFEE

coffea arabica

Perfuming, skin conditioning

GREEN TEA

camellia sinensis

Antioxidant, antimicrobial, wound healing, immunomodulatory, anti-aging, emollient, humectant, oral care, skin conditioner, skin protecting, tonic, UV absorber

GUARANA

paullinia cupana

Skin conditioning, tonic

GUAVA GREEN APPLE

psidium guajava

Astringent, skin conditioner, antioxidant, antimicrobial, anti-inflammatory, immunosimulatory

GUAVA STRAWBERRY

psidium cattleianum

Antioxidant, skin conditioner, antioxidant, antimicrobial, analgesic, free radical scavenger

HARMALA

peganum harmala

Hair conditioning

HAWTHORN

crataegus monogyna

Skin conditioner

Botanical Extracts

TRADITIONAL BEAUTY

HAZELNUT

corylus columa

Antioxidant, anti-inflammatory, free radical scavenger, skin conditioner

HENNA

lawsonia inerpivis

Antifungal, antibacterial, virucidal, anti-parasitic, anti-inflammatory, analgesic, immunomodulatory, Antioxidant, anti-allergenic, antimicrobial, wound healing, hair conditioner

HIBISCUS

hibiscus sabdariffa

Skin conditioner

HOPS

humulus lupulus

Antibacterial, antioxidant, anti-inflammatory, anti-collagenase, sedative, antifungal, astringent, emollient, skin conditioner, soothing, tonic

HORSE CHESTNUT

aesculus hippocastanum

Antioxidant, analgesic, anti-inflammatory, anti-aging, solar protective, astringent, emollient, skin conditioner, skin protecting

HORSETAIL

equisetum arvense

Antioxidant, anti-inflammatory, sedative, tonic, astringent, emollient, soothing, anti-aging, moisturizer, antiwrinkle, anti-acne, antiperspirant, anti-dandruff, hair growth-stimulating, skin conditioner, collagen promoting agent, anti-cellulite

IRIS

iris florentina

Emollient, skin conditioning

IVY

hedera helix

Anti-inflammatory, antimicrobial, Antioxidant, astringent, skin conditioner, soothing, tonic

JASMINE

jasminum officinale

Masking, moisturising, skin conditioner, soothing, anti-inflammatory, antimicrobial

JOJOBA

simmondsia chinensis

Antioxidant, anti-inflammatory, wound healing (skin disorders), moisturizer, hair conditioner, lubricant

JUJUBE

zizyphus jujuba

Skin conditioning, miscellaneous

JUNIPER

juniperus communis

Antimicrobial, skin conditioner

KIWI

actinidia chinensis

Antioxidant, antibacterial, antifungal, immunomodulatory, emollient

LADY'S BEDSTRAW

galium verum

Antioxidant, skin conditioner

LADY'S MANTLE

alchemilla vulgaris

Antioxidant, wound healing, astringent, free radical sccevanger, skin conditioner

LADY'S THISTLE

silybum marianum

Antioxidant, anti-inflammatory, immunomodulatory, skin conditioner

LAUREL

laurus nobilis

Antioxidant, antifungal, antibacterial, refreshing, tonic

LAVANDULA

lavandula stoechas

Skin conditioning, emollient

LAVENDER

lavandula angustifolia

Antioxidant, anti-inflammatory, antifungal, antibacterial, skin conditioner, refreshing, tonic, cleansing

LEMON

citrus medica limonum

Antioxidant, whitening, astiringent, anti-inflammatory, skin conditioner, skin protecting, tonic

LEMON BALM

malissa officinalis

Antioxidant, antimicrobial, sedative, antibacterial, anti-inflammatory, antiseptic, astringent, soothing, tonic, skin conditioner

Botanical Extracts

TRADITIONAL BEAUTY

LEMON PEEL

citrus limon peel

Skin conditioning, skin conditioning-emollient, skin protecting, tonic

LEMONGRASS

cymbopogon citratus

Hair conditioning, skin conditioning

LICORICE

glycyrrhiza glabra

Antioxidant, anti-inflammatory, antimicrobial, emollient, skin conditioner, smoothing, soothing

LIME

citrus aurantifolia

Skin conditioning

LINDEN TREE

tilia platyphyllos

Skin conditioner, soothing

LINSEED

linum usitatissimum

Skin conditioner

LUPIN

lupinus albus

Antioxidant, skin conditioner

LYCHEE

litchi chinensis

Skin conditioning

MALLOW

malva sylvestris

Anti-inflammatory, antimicrobial, emollient, burn healing, astringent, emollient, skin conditioner, smoothing, soothing

MANDARIN

citrus reticulata

Masking, skin protecting

MANGO

mangifera indica

Antioxidant, antiviral, anti-inflammatory, analgesic, anti-allergic, immunomodulatory, wound healing, antimicrobial, skin conditioner

MARJORAM

origanum majorana

Antioxidant, antimicrobial, antiseborrhoeic, refreshing, tonic

MARSHMALLOW

althaea officinalis

Anti-inflammatory

MEADOWSWEET

spiraea ulmaria

Astringent, skin conditioning, tonic

MELISSA

melissa officinalis

Skin conditioning

MELON

cucumis melon

Antioxidant, anti-inflammatory, skin conditioner

MILLET

panicum miliaceum

Skin conditioner, smoothing

MORINGA

moringa oleifera

Skin conditioning

MUNG BEAN

vigna radiata

Skin conditioning

MYRRH

commiphora myrrha

Antioxidant, anti-inflammatory, antimicrobial, antiseptic, nail conditioner, skin conditioner

NARCISSUS

narcissus poeticus

Perfuming, tonic

NETTLE

urtica dioica

Antioxidant, antimicrobial, analgesic, anti-inflammatory, anti-dandruff, astringent, hair conditioner, skin conditioner, soothing, tonic

Our product range is not limited with the ones on this catalog. If you need any other products, please contact us.

Botanical Extracts

TRADITIONAL BEAUTY

OAT

avena sativa

Antioxidant, anti-inflammatory, emollient, skin conditioner, hair conditioner

OLIVE

olea europaea

Antioxidant, antimicrobial, free radical scavenger, anti-inflammatory, anti-aging, skin protector, skin conditioner, hair conditioner

OLIVE LEAF

olea europaea leaf

Skin conditioner

ONION

allium cepa

Antioxidant, anti-inflammatory, antibacterial, antiviral, anti-parasitic, antifungal, skin conditioner

Monoï de Tahiti ®

Raw ingredients of this collection originate from and are indigenous to French Polynesia composed of 5 archipelagos between Equator and the Tropic of Capricorn, which are the traditional symbols of prosperity. Monoï de Tahiti ® collection holds the beauty secrets passed on from generation to generation of exotic island women.

Islands' either volcanic origin with dramatic volcanic tips poking out of the ocean or coral atolls with giant lagoons inside as well as amazing sunny tropical weather provides an excellent environment and a reservation for lush floral selection and biological diversity.

Monoï de Tahiti ® collection has been produced under ISO 9001 as pharma-grade since 1992 at Tahiti. Guaranteed quality and genuineness Monoï de Tahiti ® is protected worldwide by an Appellation d'Origine (guarantee of Origin) designation.

Rich actives in the Monoï de Tahiti ® collection and their flexible uses in various cosmetic formulations (i.e. facial and body care creams, lotions, hair and body oils, masks, shampoos, shower gels, hair creams, protective, sun product, lip stick and balms, aromatherapeutic products, candles, butters, peeling and scrubs) offer a large range of unique production processes and variety to the manufacturer.

Tamanu Original Unrefined Oil

Calophyllum inophyllum seed oil, Tocopherol

Fragrance 8286 Natural Tiare

Parfum

SURSIL Silicones

The Benefits of Silicones in Cosmetics:

- **Smoother Skin Texture:** Silicones work wonders in providing a smooth, velvety texture when used in skincare products. They create a breathable film on the skin's surface, which helps to reduce the appearance of fine lines and imperfections.
- **Enhanced Makeup Application:** In makeup products, silicones act as a primer, creating a soft canvas for foundation and concealer. This not only improves the application but also helps makeup to stay in place throughout the day.
- **Long-Lasting Formulas:** Silicones help cosmetic products stay put, resisting factors such as heat, humidity, and natural oils. This means your makeup or skincare product can maintain its performance for an extended period.
- **Hydration and Barrier Protection:** While creating a breathable barrier, silicones also lock in moisture, preventing transepidermal water loss (TEWL) and ensuring your skin remains hydrated and protected.
- **Shine and Gloss:** In haircare products, silicones add a glossy, lustrous shine to the hair, making it appear healthier and more vibrant.

SURSIL DMT-60000	Dimethicone 6000 cSt

UV Filters

AVOBENZONE

Avobenzene is the most-used UVA organic sunscreen in the world and the only approved broad-spectrum UVA organic sunscreen. It enables broadband protection when combined with effective UV-B filters, and can also boost SPF values. Because of its hydrophobic nature and its solubility in oil, it is particularly suitable for water-repellent and water-resistant formulations.

ETHYLHEXYL METHOXYCINNAMATE

Ethylhexyl methoxycinnamate is a very well-known, effective sunscreen, widely used in sunscreen products and other skin care formulations that offer sun protection, e.g. creams, lotions, gels, color cosmetics, and others. It has a broad UV-B radiation absorbance profile and functions as a UV-B blocker. It also acts as a photo stabilizer in cosmetic products.

ETHYLHEXYL SALICYLATE - OCTISALATE

Ethylhexyl Salicylate is an effective oil-soluble UVB absorber and excellent solubilizer for crystalline UV filters for a wide range of sunscreen applications. It provides a pleasant, non-oily skin feel.

ETHYLHEXYL TRIAZONE

Ethylhexyl Triazone is a highly effective UV-B absorber where only small concentrations are necessary to achieve high SPF products. It has excellent wash-off resistance for sun creams due to its molecule's polar nature, forming an affinity with the keratin in the skin. It is also insoluble in water. It has very high stability even to intense UV exposure.

HOMOSALATE

Homosalate is an oil-soluble UVB filter that is approved for use in sun-care preparations in many countries worldwide. It is used for products with low SPF and in combination with other UV filters for high SPF levels. As this product is miscible with many cosmetic oils, it can readily be incorporated into the oily phase of emulsions. Because of its hydrophobic nature and its solubility in oil, it is particularly suitable for water-repellent and water-resistant formulations.

OCTOCRYLENE

Octocryene is an effective oil-soluble and liquid UVB absorber offering additional absorption in the short-wave UVA spectrum. Suitable for water-resistant sun care cosmetics. As it is miscible with many cosmetic oils, it can easily be incorporated into the oily phase of an emulsion. An excellent solubilizer for crystalline UV absorbers. This oil-soluble, clear yellow viscous liquid is the most effective photostabilizer for Avobenzene.

SURSORB UV-50 ***

Special, clear liquid UV Filter mixture. Highly effective both UV-B and UV-A absorber. For further information please contact Surya Kimya.

SURSORB UV-50 PLUS ***

Special, clear liquid UV Filter mixture. Highly effective both UV-B and UV-A absorber. For further information please contact Surya Kimya.

Other Ingredients

Product Name	Purpose
3-O Ethyl Ascorbic Acid	Vitamin
Allantoin	Humectant
Aqua, Sodium Benzoate, Potassium Sorbate	Preservative
Biotin %2	Vitamin
